

Brief Terms of Reference

Board Information Technology Committee (BITC)

BITC is responsible to advise and report to the Board of Directors about status of technology and digital initiatives of the Bank. BITC reviews and recommends information technology governance framework, information technology policies, information technology and digital strategy of the Bank. The Committee oversees the progress of the information technology and digital initiatives and ensures that risk management tools and strategies are designed and implemented to achieve resilience against all type of cyber threats along with assessment of Bank's ability to effectively respond to wide-scale technology related disruptions.
